

ATTENTION!

With effect from the 7th of November 2024 We, The Kingdoms of Elgaland-Vargaland, are annexing and occupying battleship Admiral Graf Spee, scuttled in the Rio de la Plata between Argentina and Uruguay in 1939.

From this point on and forever We designate this shipwreck as a part of our physical territory, as a part of the Kingdoms of Elgaland-Vargaland.

*"Now the living dead have
a portal back to the other
side!"*
