***An expanded store**, selling not only essentials, but what villagers want e.g. fresh bread? cakes? etc - **YOUR IDEAS?**

***Community hub** offering a social space available for Book Exchange, baby bank, information centre for local events, IT learning & assistance, clinics, classes etc.

***Small retail units** in the garden for start-ups, small businesses, arts/crafts, daily/weekly/monthly rental

***Upstairs flat** as a holiday let, providing a steady stream of income

***Retaining current staff** with additional paid positions and volunteer opportunities
