## Acknowledgements

The transcriptions of the Monumental Inscriptions at St Mary the Virgin were instigated by Christine Payne and Peter Penfold for the Sussex Family History Group in 1991. Transcribing continued by members of SFHG and the Felpham and Middleton Local History Workshop co-ordinated by John Lea, a member of both groups. When John Lea moved away from the area the transcriptions were passed to the local Sussex Family History Group centre for completion.

In 2008 the transcriptions were reviewed, updated, completed and, where possible, checked against the Parish Registers by David and Anne Steel with the assistance of other members of the West Meads & Bognor Regis Centre of the Sussex Family History Group.

Photographs: John Lea and Roy Winchester.

Thank you to the Rectors of St Mary's, Rev Robert Harris and Rev Timothy Peskett, for granting permission for the transcribing.

## Notes

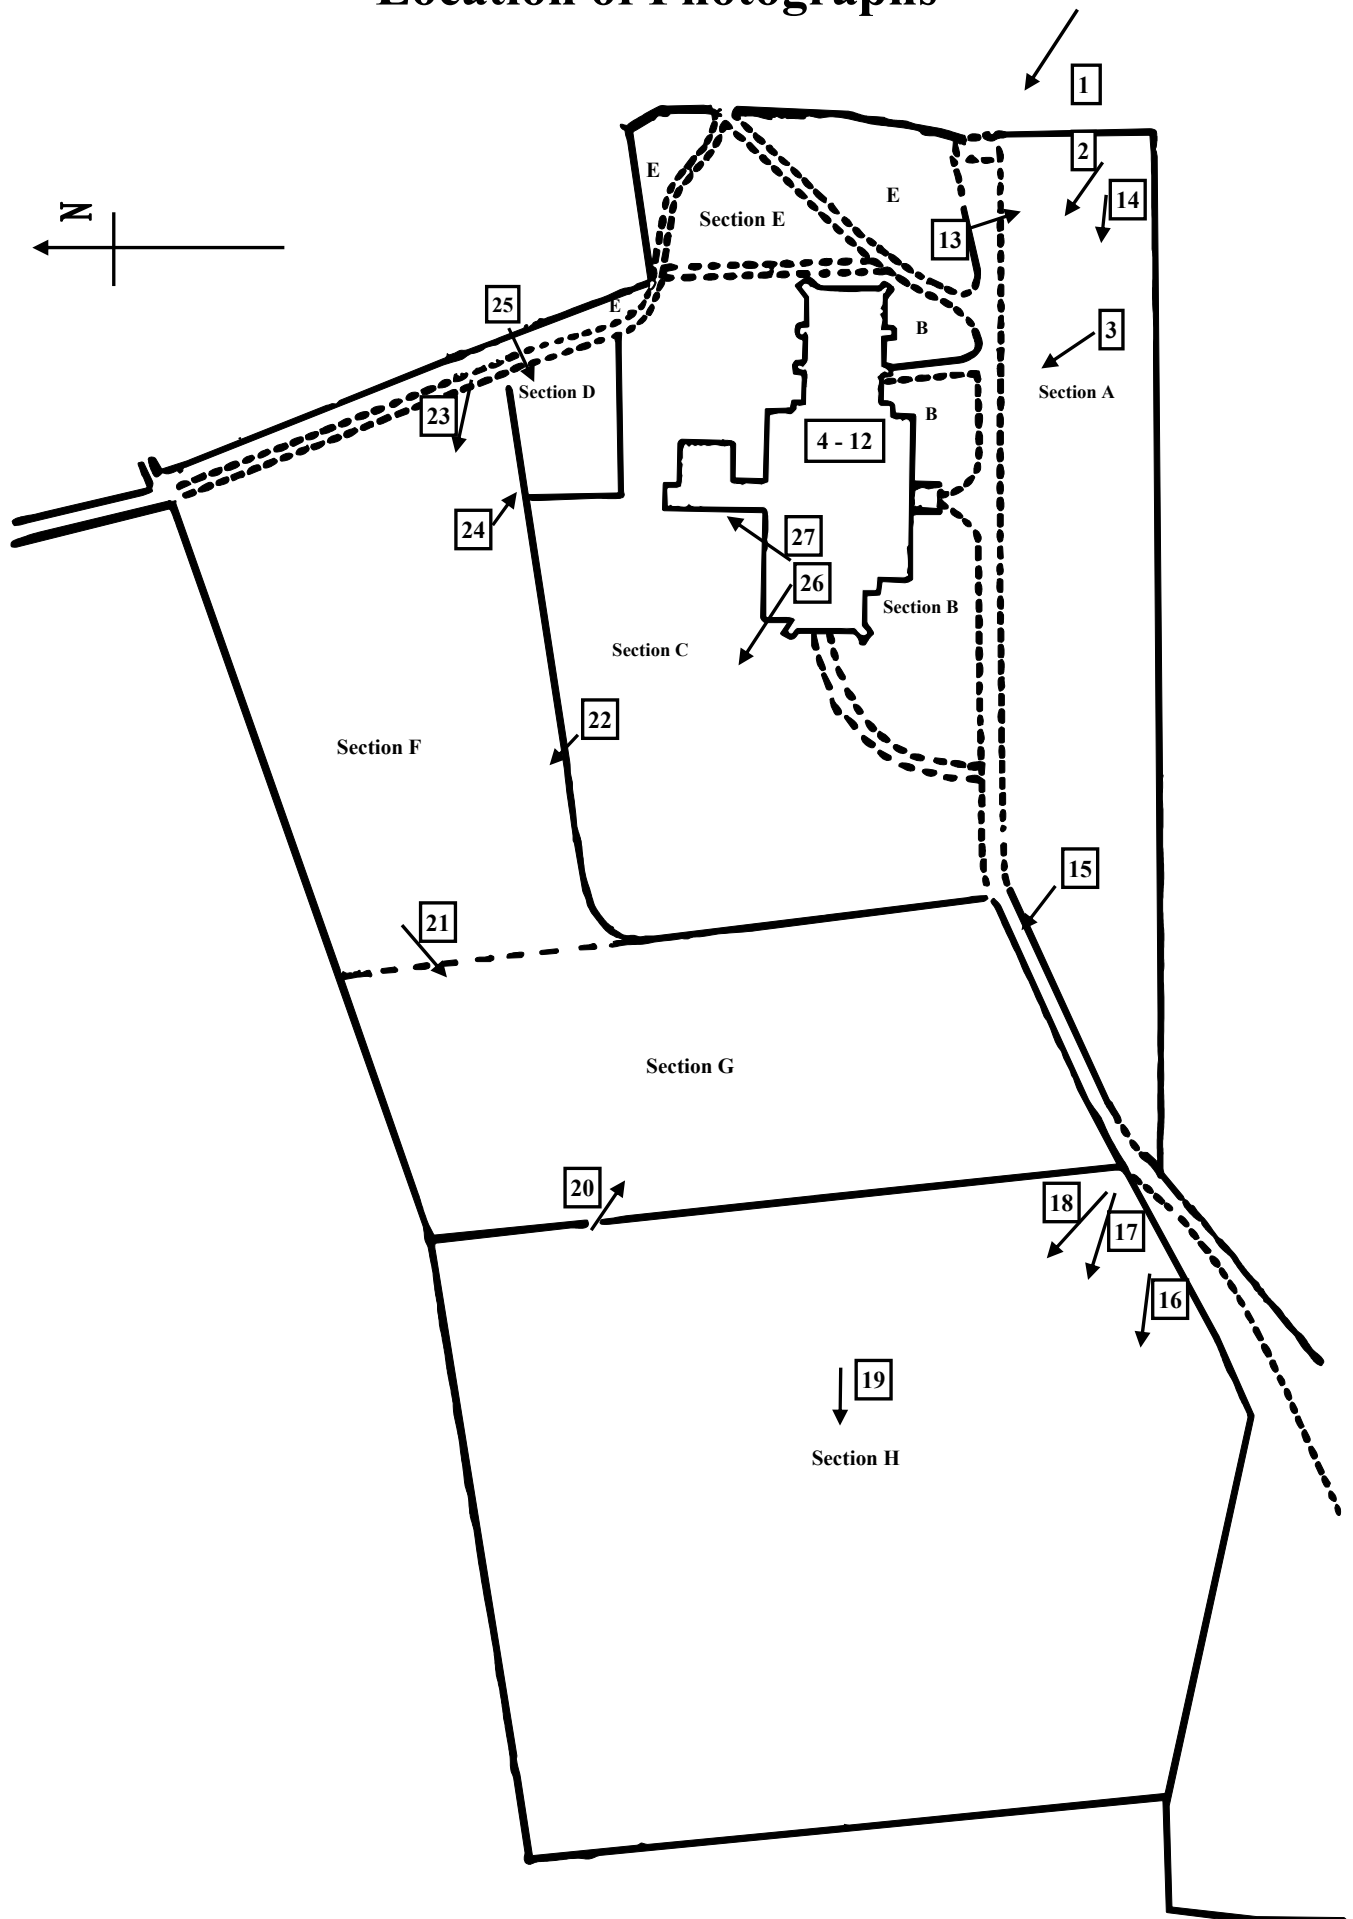

Some of the memorials transcribed in the 1990s could not be found in 2008. These transcriptions have the prefix 'J'.

The transcriptions in the church have the prefix 'K'.

An extension is being built and some stones have been relocated nearby. The boarding for this extension (Section C and adjacent to Section D) can be seen in Picture 25 (taken in January 2009).
